Parents! Friday Fun Nights and Mission Trip.

We are starting Youth Friday Fun Nights. We've already had a couple of fun events such as the Deas Vail Concert and the Youth Movie Night. We've got several more listed at the right. The intent of these Friday events is to provide a safe and fun environment for your youth. We know that these events have costs. If your youth wants to participate and does not have the funds, we can figure something out. We are excited to have 10 youth preparing for the Mission Trip to Mission Arlington coming up July 28th to August 3rd! Please help your youth live up to the commitments that they agreed to by keeping them at church 2 of the 4 times we have services each week—Sunday School, Sunday AM service, Sunday PM service or Wednesday nights. Remember that youth will also be asked to help with fundraisers. There will be many of these coming as we close in our Mission Trip date.

Let us know if there is something we can pray for you and your youth about. Call or email us anytime.
